It was a pleasure speaking to you and I really appreciated the time you took to talk to me and to explain the position in more depth. I found this very informative and you highlighted the aspects of the role very well. I see how well you've enjoyed your time working there and that is invaluable to me. I am very much interested and after what you had to say I felt as if this only re-established my feelings. In addition to my enthusiasm and performing well, I think I can offer the quick learning and adaptability that is needed for this diversified position. I greatly appreciate your time, your interest in my candidacy and giving me the opportunity to present myself to you the other day! I look forward to hearing from you once any decisions are made regarding this position.

Sincerely,

Hilary
