Dear Jeffrey,

I find out that there is one used boat, machines were working for 300 hours (which is nothing for them) , we can get it under half price . Full price is starting from 485.000 euro.

The only thing is that we have to react immediately, because they have some greek Army people coming to see it on wednesday. It is not for civil use or sale, but as it is going to the states they agreed for sale.

Please let me know what to do

Best regards

Zoran
