I suggest you lay out a plan . you can accomplish many things with the right direction. taking your own advice, is rarely the way to succeed. (i ask my very smart friends for help all the time.).

I suggest you take hormones, you decide not to. but take something much stronger

I suggest you take toefl lessons in a classroom, you take it online

I suggest you go to berkely school for summer. you want to take classes on line

I suggest you keep your hair color . you tell me people dont' like it

I suggest you call the irs, you tell me you asked your acct and wilemina for advice

I suggest you wait and get a good car, you buy what your brother tells you

I suggest you learn biz english, you take a class in biz polish

I have paid for doctors, in ny to give you extra time for toefl? You choose not to take test again

I have asked for eating help with Robin, ..

Our anniversary is one week from today. I had hoped that after you and i spoke many times that if you didn't follow advice you would end up back in your room in poland . have certificates that mean little in the real world. you will spend time- in your words" researching the internet".. politics. health, and make decisions that are not really in your interest. IT doesn't work to have me be the Beauty and you the brains,

I will pay for an agreed upon school , not any more wasting time to make you happy. toefl classes. , etc. I will continue to pay for singing as it makes you happy, and you spend time on it.
