Up to now it's quiet.
The boat is kept at our premises - every visitor of the company sees the boat.
Certain group of them is informed that the boat is for sale.

We have placed advertisements recently, until now no response.
Please note that the sale might take time due to autumn/winter time coming up in Europe.

We have finished the modifications and tested the boat on the water yesterday.
The boat is much more quiet right now, I would say that incomparably quiet.

This week I have offered the boat to 2 more people in Europe.
Next week we will place a public advertisement.

Best regards
Adam Zygowski
