We confirmed both motor and Transmission in California is correct parks., we have expedite service to run parts thru repair shop (not overhaul) so we can obtain serviceable tags for paper work required for FAR125., we have been promised Friday completion and should have counter to counter in Palm bch late Friday or Saturday morning., install is 4 hours.,

Unit price for both

Motor and transmission price \$6,200.00

I feel our current motor will work, but to guarantee I'll purchase the motor as well, if you agree?
