Zoran is my closest friend in Croatia. I know him for over 25 years. He is like a brother.

He is a real estate developer. One of the biggest there.

He is super connected with government and police there (as everything is corrupted there).
He used his connection to get a clearance for sale of this boat.
He is not making money on this but helping as I asked him for a favor.

Just to give you an insight if you are trying to decide.

When are you back in NYC?

Boris
