i think your work supports needs more reasons like writing a grant. what do you hope to achieve etc , as the paperwork needs to go into a file. The agreement amongst the group coming to dinner was that they preferred it to be very small number and intimate, so that they suggested to each other ,not bringing their wives. I have neither view nor wife , so i will ask.

And have I sent you enough re my project, or should I send it in another form?
