Back in US finally... met interesting billionaire in Mexico.. Ricardo Salinas.. do you know him?

Anyway, lets talk sometime.. we are in portland happily (and our cat survived)... slowly provisioning.. we have washer and dryer and wifi now, but no mattress or table yet.. :) every day is fun, and am trying to catch up on work now that we have wifi, before I head to phoenix next week.

Anyway, one REALLY important question. Our house in OZ exchanged yesterday so there should be about \$350K or so in Nancy's acct there. We want to transfer to US, but are not in a big rush.. need advice on whether to hold or transfer.. whether you think exchange rate will improve.. and also whether you have any better way to transfer.. 5-10% on that amount is a significant amount for us.. Thanks for your hep here.. we do want to get it here within the next 3-4 months I guess..

Best

Lawrence
