Thursday, after I came off the call with the rep to speak to you, we were unable to connect again with him for the balance of the day. Rich J and I have a call at 10 am this morn.

Re IT contract, we met with three companies-small, mid, and large. Rich J had rep from the mid size company in late last week to survey what we currently have in place. I have not heard feedback yet. We will regroup this week.
