I would like to be helpful, I think veronica and everyone else that knows you well would like to help. david suggested he disagreed with a lot of decisions but he said you were stressed and wanted to do things and he did not want to argue with you? ? , That is kind , but I think , again this does not work for you. I have been consistent. maybe wrong but consistent for over a year since the begiing ofyuri issue. I think you are freaked out, but much of it due to non biz reasons. sam eyes, parents. etc. I can meet you in person if you think that would help
