Hi Larry,

I have a request for Jeffrey. If you're comfortable with it, could you please pass it on to him?  
Thanks!

Happy Thanksgiving!

Hello Jeffrey,

You look the same as the last time...which is a good thing!

I have a problem and seeing you turned on the light bulb in my brain:

Son, Madison, has a container project that we've just finished. Two 20' containers to transport from St. Thomas to Anegada in the BVI. One is sleeping quarters and the other is small kitchen and bathroom.

We had transportation lined up, but it broke down 4 days ago and they don't know what's wrong with the engine yet or how long it will take to get it running again.

I've tried all other options and nothing has come through. Because of the current and the upcoming holidays; everything has been booked.

We had planned to get them transported by mid November, but ran into numerous problems trying to finish them. They are now ready to go and, of course our transport breaks down.

Would you allow us to use your barge to take the containers to Anegada? I will gladly pay for fuel,

manpower (Bosco), and whatever else must be paid.

Wondering also, if the answer is yes; could we use your crane as well? If that's a deal breaker, I can find a crane elsewhere:)

Thanks for any consideration and will understand if the answer is no.

Happy Thanksgiving!

Sunny regards,

maria
