It is a first time fund. Funds are not very popular these days. It will be hard.

I just had a phone call with David, Peter and Hayes. we went through all names and lists.

They are scheduling bunch of meetings. We already had few (no NOs so far) meetings.

It would be great if you can talk to David and Hayes and get their insight on this.

I can't emphasize enough how important this is to me, how getting a traction and momentum is critical.

I will not have chance of a third attempt and I am placing all bets on getting this work.

I think there are ways of structuring your commitment based on them getting money in.

THANK YOU

Boris
