CIFLTE Online Foreign Language Learning COF Chinese

Online Language Learning of the Highest Quality

CIFLTE Online Foreign Language Learning of Chinese (COF Chinese) offers state-of-the-art, online Chinese language lessons taught by instructors who are trained in cutting-edge, foreign language teaching methodology, at the Center for International Foreign Language Teacher Education (CIFLTE) at Teachers College, Columbia University.

What you get:

- Personal, **one-on-one** language lessons with well-trained, Chinese language instructors.
- **Level-appropriate** instruction for everyone - from complete beginners to intermediate and advanced learners.
- Lessons tailored to **specific needs**.
- International? No problem! This online program can now reach learners located **anywhere** with a high-speed Internet connection.
- **Authentic** language learning from the comforts of your own home.
- 32 hours of **live** language lessons.
