Hy jeffrey,

I talk to Boris and Boris talked to you, and then to me. I do believe that Boris told you that he garantee for me and money transfer.

As far as boat is concirn, I put myself as a buyer in their books. And they were checking me last week, for 3 days, and told me- I am ok for them. Their greatest concirn, when selling to privat person is that person is clean so that no dirty activities will be conected with Army of croatia. Therefor, they are always more happy to sell it to another Army people. This is exception. At the end, boat is extra fast and has small radar visibility- ideal for smuggling f.i.

As I will be co-owner of Von Lux gmbh by new year, and I am buyer for them, everything end up with me . To whom I sell boat latter on, it is fine with them. I did not mention you as a buyer, because of several

reasons. Now, it is good like that.  
If anything else is troubling you, please tell me. Regards
