Hi Larry.

It was great meeting you. Really enjoyed your comments and your advice! Would love to connect again and introduce you to my bitcoin kids.

Regarding MacArthur.

I met Neal the other day and we talked about you. ;-)

I haven't met Brian yet.

Unfortunately, I'm missing the MacArthur board meeting this week because I'm in Tokyo for the Sony board meeting. (When it rains it pours...)

Is it OK if I let the committee know that you'd be available for references?

We're still in the foothills on the search so it may all take awhile.

Joi,

It was great to meet u. I really enjoyed our convo and hope we can spend more time together.

Bitcoin too.

I'm writing now cuz two friends of mine are in mix for MacArthur. Neal Wolin and Brian Deese. Both are very impressive and would bring real strengths in somewhat different ways. Happy to discuss more if helpful.

Larry
