Basically available pool for total comp is down 50 percent from last year on higher expenses and less revenue in other businesses. My stuff is 80% of revenue. He would not give me a number so we didn't get into the "what can you come up to" game. He will submit some recommendations to Henry, seems willing to press for the 25%.

Thanks. Let's see how this turns out, but I think at least you saved me from a disastrous number.
