Hope everything is going well --

We are writing about Jeffrey Epstein and a judgement against him that he owes approximately \$130.5k to a [REDACTED] firm called Sitrick and Co. Epstein, through you has claimed he has not been served with papers in Florida and that the California judgement against him is void b/c he is a resident of the US Virgin Islands.

I understand that a Fla judge in the case has just ruled that Epstein can be deposed in this matter.

Please let me know if you have any comment.

Best, Ian
