Spoke to Eric.,

Eric will know tomorrow if the chinchilla fabric cover for Divan arm rest is in stock, if so he will manufacture a temporary cover for divan arm rest.

- 1-VIP Valance above Sink is being worked on at this time,,
- 2-exact Bed foam like GIV will be installed in Seat cushion ,, but not covered in Fabric,, I'll store the original seat bottom cushion in baggage compartment in case you want to use as a Divan.,
- 3-tray table cut out for handle complete
- 4-IPhone holder jiggle in works.
- 5-white Leather installed on baggage Compartment head bump cushion.
- 6-exposed edge on Divan Seat back cushion will have a piece manufactured to cover the opening when divan is used as a bed.,
- 7-R/H Galley cover will be covered in White., to match counter top.,
- 8-foam was used to eliminate tray table shake, rattle and roll issue

I think that covers everything Eric mentioned

All items above will be completed Friday night,, so I could fly the G550 to Teterboro if you elect to use for Paris trip?

Thx
Larry
