Jeffrey,

Dave is on Vacation for his daughters wedding July 20-30th.,(actual wedding is July 28th in PBI).

I'm planning to do Heli Blade track all day tomorrow and return to NY Thursday at 10am.

Option 1

I could fly Paris trip on 18th with Chip,, I would airline to GIV for Test flights July 20th of Dual engine change and position the GIV in Islip,,

I could leave Chip in Paris to cover the G550 and locate a contract 550 pilot while I'm gone to cover any trips. I'd return to Paris around July 23rd. After GIV is done and parked in Islip.

Option 2

Chip and Dave fly Paris trip on 18th, then Dave airlines home for vacation on the 19th.

I would return to Paris July 23rd ish, after GIV test flights.

Do you prefer any of these options?

Thx

Larry
