here it is because I am already too tired to edit it after writing it early this morning.. planning a bunch of changes based on comments I have already received.. You will either like it or hate it.. if the latter, don't tell me today.. am too tired.. I see it as the first step in the campaign to discredit decisions and demonstrate to university that they are liable to see more of this..etc.

Lawrence M. Krauss

Director, The Origins Project at ASU

Co-Director, Cosmology Initiative

Foundation Professor

School of Earth & Space Exploration and Physics Department

Arizona State University, P.O. Box 871404, Tempe, AZ 85287-1404
