It seems Richard Kahn is putting people to work after all.

Noam received these two checks from Pershing. But in the checks is written "As per your request" from Carol Chomsky Non-exempt and Exempt Trusts, respectively (attached).

The observation "As per your request" is misleading, because it seems Noam is requesting the amounts, therefore they would be coming from principal -- while they should refer to the mandatory income that Noam is entitled to receive.

Should the checks be deposited in our joint account?

Thanks,

Valeria
