Jeffrey...this \$30,000 is either the completion of the 70th birthday present of just considered a gift for my 71st this year. Either way, it is so appreciated. Everything you do for me makes me feel there is a guardian angel watching over me. It is beyond comforting to know you always have my back.

I am exhausted from this apartment stand off. I just can't believe that I have worked my whole life.....went thru all that financial shit with my brother that resulted in my niece not talking to me and now this Asian cunt is trying to steal thousands of dollars from me on a very vague and unfair construction contract.

This lawyer has been jerking me around since Thanksgiving and I am sort of at my whits end living out of a suitcase and hotel rooms since last June. I have traveled for business and pleasure and learned to live in navy, black or white clothes that all go together. I am concerned because I do not think this lawyer, Michael Rogers has gotten anywhere. I have not paid him a cent and I don't know if this is part of his retainer for Christopher Clarke. All this vagueness is wearing on me.

How do I get to the end of this. Josh has a contractor to finish cheaply, fast and well. Wish I had better news...business is fine! Thank God. xoxo Peggy

I am doing a dinner in Southampton Thursday, Aug. 2 for 40. Have "Blackkkklansman" in East Hampton Sunday and go to Patmos Monday. Back Aug. 23rd. xoxo Peg. Thanks again.
