Dear Jeffrey

The 2 samples of carpets will be send to you at the end of August but the maker needs to have them back

Here is Plant estimate

They have included ,but it's a mistake,2 painters to help the artist who will do your bathroom's ceiling,as she will find them herself

I am leaving tonight for holidays and will be back in 3 weeks

All furniture for the island will leave the first days of September

Thanks

Dear Lionel,

Please find attached the Cover letter, the revised Preliminary Budget R2 for Hammam and the revised WOs #2R1 & #3R1 that based on the site meeting at 07.12.2018 and your e-mails with the revised drawings, Plumbing fixtures cut sheets & schedule that we have received after site meeting.

Please note:

- the Order of THG's plumbing fixtures is 10 – 12 weeks.
- the Order of Waterworks / Aero's Thermostatic Control valves is 14 - 16 weeks.
- the Order of Stone slab materials is 8 weeks.
- the Waterworks / Aero hard quotes for the some plumbing fittings from Europe are pending that indicated *A* allowance.

The Preliminary Budget R2 for Hammam is indicated the last changes in R2 on the left margin.
The changes in the revised WOs #2R1 & #3R1 are in the bold text.

Please let us know if you have questions and confirm receipt of this e-mail with the attachments.

Best Regards,
