That's a good guess,
Last time I saw Petlz's plane was in Lasham England 5 years ago, deteriorating and it was a basket case, this -200 aircraft looks in much better condition
Petlz had a Blue stripe the full length of Fuselage, could have been painted though,

I'll ask,
That is definitely not Getty's plane, this is a - 200 series,
About 30' longer than our -100
