The correct NYS form is used. All appears correct (I assume the actual tax calculations are ok), except that 1) line 86 does not include all of the federal changes, so that 2) line 87 + line 88 does not equal line 89, but 3) the line 89 number is forced to be the correct "corrected federal taxable income" amount.

Also, line 91 c asks for any federal penalties assessed, and the feds did assess the accuracy related penalty, but the line is left blank.
