Objet: MA18.36: Little St. James Island Private Residence Project

Dear Mrs. [REDACTED],

It was our great pleasure to meet with you and Mr. Jeffrey yesterday at our office in Paris.

On behalf of Xavier Cartron - Paris; and with reference to the above mentioned project, we would like first to take this opportunity to thank you for giving us the chance to be considered as part of your Project Team.

This is to confirm our interest to work together on this prestigious project.

Regarding the trip to USA we are ready to go any time after the 22nd of August 2018. We propose to travel between the 23rd and 25th of August 2018 if this is convenient to Mr. Jeffrey.

As mentioned during the meeting, I will be applying for a Visa in preparation for this meeting. I would like your assistance in sending me an invitation letter addressed to the USA Embassy in UAE as this is required for the Application (attached copy of my passport).

If you have any queries, please don't hesitate to contact the undersigned.

Regards,

Kifah Laham
