Mr Epstein,

I have a few questions that will effect pricing on the new theater.

-Location

- Structural engineering
- MEP design

-Seating (How many)

- Most have around 150, but for a private one you may only want 12-25.

-Finishes - We can do an A,B,C option on interior finishes by price point

-Facade - Stone to match other LSJ Building?

I have a few guys that can do pricing on this as turnkey and once we get this info I can steer them in the right direction for estimating and pre-con.

Very Respectfully,

Kyle W Reavis
Construction Manager
