Josh...if I paid for her shitty drawings, they are mine. We have to finish the kitchen and I want the plans for the library.

Just to be clear....ALL the money we are paying her is for work completed?

I agree to pay her...I can't help feeling she is still screwing me. I am seven hours ahead of you. It's 2:55pm here. I am on a boat and free all day. Do you want to call me when you get in. Peg

I completely understand your frustration.

Let me confirm on drawings and other questions with Michael.

Can we talk this afternoon?

I will call you today. What is a good time. I am in Patmos.
Have some quick questions. What did she originally want? Is all the work I am paying for complete. Do I get the drawings of the design work that I am paying for...what about the shoddy work. Yes, I want to get rid of her asap...but I want to get the last drop of water out of the stone. Peggy.

I still feel that no one was looking when I stupidly signed a contract in good faith and I have gotten royally screwed out of money I worked so hard for. This is a disappointment in myself I never imagined would happen. I have been robbed in front of my myopic eyes. Peggy. Let's move on. Shit happens.
