Hi. Heard last Friday that the report had not yet been sent to the general counsel. Justin et al have asked for me to be able to see it before it is sent to the provost but that is not the normal policy. The GC will ask the provost if I can see it once she reviews the report. Unlikely but anyway, she expects to get the report this week and send to provost by end of week.

Sigh. Meanwhile my origins staff go into work every day and twiddle their thumbs.
