Dear Jeffrey

Hope your trip in Marrakech was fine !

Just to ask you if after thinking on the elements from us for this first presentation, you would like to add some comments and more information that discussed together in our office. See below

We will work on the updating of the project and layout considering all discussed and more! The project is very exciting and amazing, we thank you for this opportunity for us and we will give the best...

The office will be close for 2 weeks from August 6 to 20, we will come back to you with a new proposal for the end of the month.

For a trip to the island it will be difficult for us before end of September but we will confirm.
