The headline today in HA'ARETZ, israeli newspaper, says:
"seniors in the White House will ask the Emirates to contribute to Gaza's rehabilitation".
If that is the case, It would be a lot easier for him as he will be treated by relevant ministries.
Please let me know if any help is needed.

I will gladly help.

Before, I have few questions:

- does he come with his genuine passport and identity?
- if affirmative - is one or more of our formal authorities or ministries in the picture?
(Because if that's the case, they might be the better address to arrange it).
- if not - I can apply to the best real estate agencies. Take into account that it involves our name, which might lead to make it public and maybe complicate his situation (If the reason of his coming is non official).
