you should cover me like you did at jpm. I'd like to see the dec on wheel tug. I looked at your currency ideas. and again you only look for a long entry position. it is not the way to make money

Hi Jeffrey

Could we please meet after Labor Day to discuss what direction you would like to take things. I am not sure if you had a chance to read my previous proposals but I would really like to find a solution that works for you. Please let me know when you have time.

Best,

Paul
