Sorry should have given more details

Guito Pochette, had applied for Citizenship last year. After the hurricanes he was informed that they had "misplaced" all his paperwork, giving him a 6 month extension, which ran out, rather than have any immigration issues he returned to Florida to reapply. As of date and time he has no plans to return to St Thomas Sainfrans Dejour, you may remember was the landscaper who was having medical issues after branch hit him on the head. He returned to Florida to get better medical assistance. I spoke with his wife on Monday, he is out of hospital. Will require further out patient treatment. He wishes to return to St Thomas and working on LSJ, but this will take some time

Good Morning

Due to high winds last night the higher section on the mock wall came down, would you like it put back up?

Also would you like the mock wall painted one color, if so which color would you prefer?

Thanks
