I expect to get the draft version of the appeal letter from Justin later today. They have been working on it over the past two weeks based on the 40 pages or so of information I have sent them. I will have the last word and expect to rework it in depth if necessary over the next few days. I will send it to you for comments. Frank Wilczek wrote nice letter to crow. Am expecting a few more today. And amber heard has promised me an email saying my treatment of her was not inappropriate and she remembers nothing that was claimed by staff. Just FYI. Due date is Friday. Been down last few days.

Am giving a talk in México sept 11 for money and one in Ukraine in nov for money. My German lecture was cancelled in Göttingen but I still have a lecture in Heidelberg that is still on but I have to figure out how to get there since Göttingen was paying for airfare.
