Gulfstream FastTeam support is booked for Teterboro tomorrow most of the day with other aircraft,

Westfield has no hanger space, and can't work the plane.

I have a reservation at Savannah to accept the plane at 8am tomorrow morn, which would be the best place for a fast repair, since most of the parts supply is there.

Do you approve of me taking the G550 to Savannah in the morning?

Pls advise?

Thx
Larry
