Dear Sir,

As you may know, the university has some requirements for the upcoming semester. There is a list of things that a student must have in order to participate in the studying process.

Such as:

-uniform (students must be formally dressed from Monday till Friday 07:00-17:30). Which means that I will have to get a few pieces of clothing, that will match the business dress code.

-pocket money ( the university suggests that a student should have not less than 500€ per month in order to take up activity clubs, pay for laundry, cover SIM card expenses, weekend entertainment, field trips etc.)

I feel very uneasy talking about this, because you have already done more than anyone in this world for me, but I would really appreciate your help. Thank you.

Best regards,
