Dear Lana,

Many thanks for your email! Mona, Edward and I would appreciate very much if you could follow up with Andrew Hamilton as regards Edward's possibilities at NYU.

Edward will forward you relevant information when he is back from school later today.

We are very grateful to you for taking the time and for the effort! Looking forward to seeing you when [REDACTED] next in NYC. Are you by any chance going to Davos? As you may know I have been appointed Chair of their Middle East Council.

Warmest regards,
Terje

Dear Terje, dear Mona,

Happy New Year to you and your family, an increasing number of whom seem to be congregating in New York, which must be a nice change! I would love to host a welcome dinner for you Mona - let's get our offices to coordinate timing, once I am back in New York in a week and a very warm welcome ! Am looking forward to working with you.

I spoke with Bart Sher, who mentioned that Edward is applying at NYU, and has been wait-listed.

This must be the time of the year when everybody is activating whatever contacts they have in university admissions departments, but if you think this could be helpful I would be more than happy to reach out to NYU president Andrew Hamilton to put in a good word for Edward or write a letter of recommendation.

Just let me know - and if you could provide some details about Edward and his study interests, I could work that into my note.

All the best,

Lana
