A lawyer from Max's insurance firm submitted an offer. Harry's lawyer submitted something empty, which Vincent told us to ignore. Vincent submitted a response. That's what's to be discussed tomorrow with the mediator. They don't want anyone else involved. Will see how it goes, and let you know.

and as always if you would like rich kahn on the phone , ok. did they submit an offer to you. mediators are there to try to get a deal , they are not arbitrators. that are supposed to rely on law and facts

Tomorrow there's going to be a discussion with the mediator and the two sides. On the table is Vincent's proposal, more or less along the lines you know, and a proposal from the lawyer (Berman) for Max's insurance company, conceding quite a lot, but there remains a gap between the financial compensation Berman proposes and what Vincent is proposing. Will let you know how it works out.

Valeria thinks that the settlement should include providing the records (Vincent and I agree).

Hope things are going well. And still hoping that you'll find some time to visit.
