Ok thanks

Will work with Mike with this

Will reach out to Carlos again about status of Boats under repair/timeline

Sportis tubes install date has changed to the 22nd - that is when the installer is available

Good Afternoon

We have just spoken to Mike, there is one small issue, he had arranged to take his Mother from Boston to the east coast to visit her extended family, whom she has not seen for many years. This is a trip that requires quite a bit of traveling either buy plane or car, something she would be unable to do by herself. Basically 1 week, leaving Sat Jan 19th flying back Sun 27th

An option would be to have William (Boscoe) stay on GSJ while Mike's away given his mechanical skill etc
