Subject: Your Annual Check-Up
Date: Fri, 04 Jan 2019 19:17:38 +0000

Hello ! We hope you have had a happy holiday period for rest and rejuvenation.

Our records indicate it has been more than a year since you last came in for an annual check-up. In order to continue to have brief interim visits, you need an annual check-up---to include a complete update of history (including nutrition and lifestyle and health challenges), physical exam and lab testing/review.

If you have a current in-network insurance Primary Care Physician, you are welcome to come in for functional and integrative perspective of issues that conventional medicine may not be adequately addressing. In order to do this you will need a periodic comprehensive evaluation..

We are contacting you to arrange a time that is convenient for you to come in to see Dr. Merrell in the new year. This is for the annual comprehensive check-up of 60 to 75 minutes depending on complexity.

Please call the office at [REDACTED] to arrange this. Alternately you can return email us at this address ([REDACTED]).

For those of you who have not been in for a while, when you do come you will be invited to access Dr. Merrell's web portal (Power2Patient). This will allow access to requisitions for tests, personal instructions, invoices, labs and reports (soon), and web-based communication directly with the office (no more encrypted emails!--as well as use of a comprehensive integrative medicine library of resources.

We are also pleased that since you were last here we have significantly upgraded our staffing for more efficient communication and services

We look forward to seeing you again soon---perhaps for your New Year-New You work.

PS: We apologize if you have already contacted us for your exam.

Yours in health,
Dr. Merrell and staff
44 East 67th Street, Suite 1B
New York, NY 10065
[REDACTED]

Woodson Merrell MD PLLC reserves the right to charge a fee for "No Shows" and "Same Day" cancellations. Please call to confirm or cancel your appointment on a timely manner to avoid any inconvenience.

We encourage all bloodwork to be done at a laboratory near you but we accept bloodwork appointments in our office with a fee.
