Jeffrey

Just heads up,

Pete arrives PBI today at 2pm to help me,

***update the data bases on GIV and G550, Preflight the planrs, and will launch us Thur morning from Boca, in case we have a Maintenance issue.

He is also helping me cleaning and organizing my PBI office since the Boeing Records will Be picked up tomorrow as well.

He drove to palm Beach, since he was visiting his son for the holidays.

I'm very pleased with his efforts, he's a team player!

Thx

Larry
