Jeffreychka, Happy New Year and all the best in 2019 year ! 🧑🏻🧑🏻

I wish you lots of love, health , warmth , people who care about you !

Thank you for every every day ! ☀️

I can't express my feelings to you neither in Russian nor in English , once I start to write down my thoughts it sounds vulgar to me 😊

I just want to tell you that I simply love you , selfishly love you 😊❤️
