Photo of selected samples of wall, floor and Dekton Halo countertop material.

E mail from Karyna in reference to countertops material, confirming selection of Material.

Granite was discussed but decided, it would not be the clean look you wished to have.

I still have Dekton Halo Sample on site, if you wish to reconfirm selection.

I will request pricing option for both 1.5" and 2"

Do you still wish to proceed with pricing for White Quartz Material instead of the Dekton Halo.?

regards

Hello [REDACTED], [REDACTED],

Attached is the estimate for the work. Because of the nature of the work I cannot modify the payment terms.

I can send Adrian to confirm measurements as soon as you approve the estimate. (passport scan will be sent for ticket).

We need 1 week to receive the DEKTON and 1 week to fabricate.

So we should be able to deliver to TROPICAL less than 3 weeks after first payment.

Wish you both a Happy New Year!!
