Hi Jeffrey,

Attached is information of [REDACTED]. She is 20, free of school and work. She went to Costa Rica for 1 year to volunteer and to travel. She is very kind hearted, curious and execution style person. I spent lovely time with her and told her that you recruit.

Or you don't anymore? No more news regarding candidates I found.

How is it going with Masha and articles ?

What do you think of my CV? Could you forward to your friends? Maybe someone could give me a job

Kind regards/Cordialement,

[REDACTED]
