Jeffrey PLEASE I don't want to spend an other meaningless year being a waitress and a babysitter. I would like to LEARN something VALUABLE. It's September now and I don't want to waiste an other year. Please you cannot abondon me right now. If I don't work on my future now it's going to be to late and I desperately want one. My future depends on me but also on the support I receive. If I don't receive any, I'm not going to make it and I don't want this for myself.
