yes we had a tracking number.
 just shows lack of effort as it arrived yesterday and probably has to be cleared..(that is why showing on hold)

if daphne was around it would already be on LSJ
 btw carlos is supposed to be handling logistics and when I emailed him early this am he tells me he is in Puerto Rico..

Track DHL Express Shipments

Here's the fastest way to check the status of your shipment. No need to call Customer Service – our online results give you real-time, detailed progress as your shipment speeds through the DHL network.
