---

Probably would wait so it has bigger impact and can be put out there and enter the conversation again  
But i have no idea when/if there will be another issue ... so it may not be out there for a long time  
So it comes down to what makes you feel better  
The other big advantage of doing it now is to give you something you can show to your international clients

Can take advantage of the quiet week next week to have it said and done and be something that is pointed to in the future in lieu of any comment

Or can wait and be more immediately disseminated following the next incident for higher impact

do you think putting out an op ed piece now. that alllows a counter narrative. to be in the cyber space. .  
or wait until something bad comes out again. ?
