Hi all,

I asked Ken to please send me the tracking number for the blade that was ordered or else refund our money. It was ordered usps instead of express mail or fedex.

Can we please have someone buy this blade today and send it Fedex. I think we should buy the blade and deduct the cost of the blade from his bill. usps shipping dates are not accurate in the VI.

The countertops and vanity are all porcelain. LSJ will not receive anything unless that blade arrive

East end lumber said that I have to leave because they have to close both gates at 5pm.

I will be there at 8am tomorrow morning. He's literally 2min away
