It never stops! I am taking a pass. Also: am leaving NYT within next few weeks if not sooner. Taking a buyout -- but there is an interesting backstory that we can discuss offline one of these days.

Hi Landon, I'm a producer at Radical Media working on a new documentary series about wealth and power in America. It will be airing on a major video streaming service. Part of our program will focus on Jeffrey Epstein. I am reaching out about the possibility of your sharing your unique insights about Epstein in an on-camera interview. (Based on your fascinating articles, "International Moneyman of Mystery" and "Financier Starts Sentence in Prostitution Case"). If you are potentially interested I of course will be happy to provide more details. Best. Lori Gordon Logan Producer Radical Media
