Hi Larry: Just circling back with an update. We anticipate early April as the next available period when an H160 demo flight should be feasible. Please let me know if that sounds interesting, and I will keep you advised of details as we get closer.

Heli-Expo will occur in Atlanta (Georgia World Congress Center) on March 4 – 7, and we hope to see you there as well. We will have a block of rooms available to customers at our corporate rate, in case you'd like to take advantage of that. They normally start to go quickly.

All the best to you and your family for the holidays, and wishing you a happy New Year!

Thanks, Glenn
